WANT TO BE VALLEY BOUND?

Make Sure You Meet MVSU Undergraduate Admission Requirements

Option 1: Complete the CPC with a minimum of 3.20 high school GPA on the CPC

Option 2: Complete the CPC with a minimum of 2.50 high school GPA on the CPC or a class ranking in the top 50% of the class, and an ACT score of 16 or higher or a combined score of 880-910 on the SAT

Option 3: Complete the CPC with a minimum of 2.0 high school GPA on the CPC and an ACT score of 18 higher or a combined score of 960-980 on the SAT

Option 4: Satisfy the NCAA (National Collegiate Athletic Association) Division I standard for student-athletes who are "full qualifiers" are accepted as equivalent to the admissions standard.

In the lieu of ACT scores, students may submit equivalent SAT scores. Students scoring below 16 on the ACT (composite) or the equivalent SAT are encouraged to participate in the Year-Long Academic Support Program during their freshmen year.

CPC= College Prep Curriculum
ACT = American College Test
SAT = Scholastic Aptitude Test
NCAA = National Collegiate Athletic Association

Students who do not meet the above criteria are nonetheless eligible for admission. Such students must participate, however, in an on-campus placement process at the University of their choice. The process will determine whether the student may be enrolled in regular freshman-level courses or be required to enroll in the summer semester with mandatory participation in the Summer Developmental Program. Successful completion of the summer semester entitles the student to continued enrollment in the fall semester at the university of his or her choice.

Admissions Process

- Application for Admissions
- Official and Complete High School Transcript and/or College Transcript. A seven-semester transcript is required prior to high school graduation. The official transcript must be mailed from high school and/or college directly to the Office of Admissions & Recruitment.
- Official ACT/SAT Score Report Test scores must not be older than five years. Test scores may be submitted on your official high school transcript.
- Immunization Record must verify injection for rubella, mumps, and two injections for measles.

The Office of Admissions & Recruitment will render an admissions decision upon receipt of all above documents listed above. You will be notified in writing if additional information is required for us to render an admissions decision.

Transfer Students from Junior Colleges and Universities

Transfer students who have completed an applicable associate degree, a higher-level degree or its equivalent, are exempt from freshman admission requirements. All other transfer students are subject to the freshman admission policy. Applicants must list all colleges attended on the application for admission. Failure to provide information about prior college attendance is grounds for disciplinary action, including immediate dismissal from the University.

To be classified as a transfer student, one must have attained a cumulative grade point average of a "C" or above on a 4.00 scale and earned a "C" average in the following thirty semester credit hours.

6 semester hours	English Composition
3 semester hours	College Algebra or above
6 semester hours	Laboratory Sciences
9 semester hours	Humanities and Fine Arts
6 semester hours	Social or Behavioral Sciences

READY TO TRANSFER?

You can transfer in with any number of credit hours, and we accept transfer students each term. Check with your counselor to see if your college has a transfer agreement with MVSU. Admissions staff can easily evaluate your records and let you know which courses will transfer and approximately how long it may take to complete your degree at MVSU.

Most transfer students will have at least a few general education classes to complete when they transfer to MVSU. You and your advisor will work out a reasonable schedule each semester to make sure that you get the courses you need to graduate on time.

MVSU ALUMNI

As a graduate, you will become a member of a network of over 15,000 alumni. The Alumni Affairs Office helps alumni stay connected with each other and the University. Alumni Affairs also sponsors class mixers, campus and regional events. Once a Delta Devil, you are always a Delta Devil and a member of the MVSU family.

CAMPUS LIFE

Learning to live with roommates and within a community are essential life skills. We offer traditional residence hall living and suite style residence. Flexible meal plans let you choose your meal schedule.

There are counseling services and spirituality resources available to students.

University College offers free integrated learning and support services. Professional staff members, peer tutors, and faculty work together to promote a supportive learning environment.
