DAILY CRIME LOG

The MVSU Police Department maintains a daily crime log of all crimes reported to the department. This log includes the nature of the crime, the date, time, and the general location, as well as the disposition of the crime. Crimes are logged in the order they are received by the Police Department. The daily crime log is available on the web at www.mvsu.edu/upd Entries or updates may be withheld if the information is protected by statute, or if there is a danger to the victim or a need to keep the investigation confidential. If there is reason to believe the release of information will result in the perpetrator fleeing the area, or that evidence will be destroyed, the information also may be withheld until the jeopardy no longer exists.
