#### **DRAFT**<sup>10/10</sup> 2011-12 INSTITUTIONAL PROFILE

Academic Year 2011-12 (AY2011-12) – The Institutional Profile is for the 2011-12 academic year and includes the Summer 2011, Fall 2011, and Spring 2012 terms. Some reporting terms may vary depending on the length of time for each metric.

**University System Average** – The university system average is based on eight institutions and includes the Medical Center with the University of Mississippi in most instances. Figures including UMMC data are denoted with an asterisk (\*).

**Total Headcount Enrollment** – Total headcount enrollment figures are unduplicated for the academic year. Academic level for enrollment is based on the last term of attendance for the year. [Source: IHLMIS]

**Total Full-Time Equivalent (FTE) Enrollment** – Total full-time equivalent enrollment figures are based on undergraduate and graduate credit hour activity over a 12-month period. [Source: Federal IPEDS]

**Entering Freshmen** – Entering freshmen figures are based on an unduplicated count of entering freshmen at any point during the academic year. [Source: IHLMIS]

**Entering Transfers** – Entering transfer figures are based on an unduplicated count of entering transfer students at any point during the academic year from Mississippi's community colleges and all other postsecondary institutions. [Source: IHLMIS]

Science, Technology, Engineering, Mathematics (STEM) Enrollment – STEM enrollment includes the number of undergraduate students majoring in science, technology, engineering, and mathematics as defined by the National Science Foundation (NSF). A complete listing of the NSF-STEM majors can be found at http://www.ice.gov/doclib/sevis/pdf/stem-list.pdf [Source: IHLMIS]

Education (Including Non-Teaching Areas) and Nursing Enrollment (All Undergraduate Levels) Enrollment - Education enrollment includes the number of undergraduate students majoring in any education discipline according to the 13 CIP code. This includes teaching and non-teaching education majors. Nursing enrollment includes the number of undergraduate students majoring in any nursing discipline. [Source: IHLMIS]

**Undergraduate Degrees per 100 Undergraduate FTE Enrollment** – Figures indicate the number of undergraduate degrees awarded per 100 undergraduate FTE students. Undergraduate degrees include certificates, associates, and baccalaureate degrees. Undergraduate FTE is based on an four-year average of annual undergraduate FTE figures. [Source: Degrees – IHLMIS; Student FTE – Federal IPEDS]

**Undergraduate Tuition, Room, and Board** – Tuition figures represent undergraduate resident tuition for both the fall and spring terms. Room rates reflect double occupancy rates (most common) and Board rates reflect average meal plan. [Source: IHL Finance & Admin]

**Financial Aid** – Total undergraduate scholarship and financial aid figures include state, federal, institutional, and all other forms of financial aid known by the reporting institution. Average financial aid award per student is based on the total amount of financial aid divided by the number of eligible students. Percent of undergraduates receiving aid is based on institutional federal financial aid cohorts. [Source: Federal IPEDS]

Intermediate Enrollment – It should be noted that institutions have varying academic policies regarding intermediate enrollment. Intermediate enrollment includes the number of students taking one or more Intermediate courses. Figures are based on Fall 2011 data and exclude the Academic Support Lab. Gateway courses for Mathematics include College Algebra, Elementary Statistics or equivalent courses. Gateway courses for English include Composition, Writing, or equivalent courses. [Source: IHLMIS]

**Student Progress** – Full-time status includes students taking 12 or more hours during the fall term while part-time students include students taking less than 12 hours during the fall term. Students earning zero credit hours for the entire academic year were excluded from the metric since most were not enrolled for the entire academic year. [Source: IHLMIS]

**Retention Rates** – Retention rates reflect the percentage of first-time, full-time entering freshmen during the Fall 2010 term who return for the Fall 2011 term. [Source: Federal IPEDS]

**Graduate Rates** – Graduation rates reflect the percentage of first-time, full-time freshmen during the Fall 2004 term who graduated at 4-year (100% of normal time), 6-year (150% of normal time), and 8-year (200% of normal time) intervals. [Source: Federal IPEDS]

**Student-Faculty Ratio** – Student-faculty ratios are based on 12-month student FTE enrollment and FTE instructional faculty. [Source: Federal IPEDS]

**Instructional Faculty with Terminal Degree** – Figures represent the percentage of full-time instructional faculty with a terminal or first-professional degree. Terminal degrees include master's degrees in fine arts (M.F.A.), social work (M.S.W.) and library science (M.L.S.). [Source: IHLMIS]
