UNIVERSITY™

## 2019 COMMENCEMENT INFORMATION

MVSU holds only one graduation ceremony each year, taking place at the end of spring semester. As your excitement builds in anticipation of the event, and as you make plans for graduation, we would like you to remember that the commencement ceremony is for you and every other graduate. We ask you to respect your fellow classmates and thank you in advance for your cooperation.

### COMMENCEMENT ATTIRE

Wearing the traditional academic gown and mortar board is required for participation in Commencement. Beneath the academic regalia, men are to wear a dress shirt (preferable white) and tie, dark slacks, and clean, black dress shoes. Women are to wear a black dress or a black skirt and blouse, and clean, black, closed-toe dress shoes. Dresses and skirts should be no longer than the academic regalia's gown. Women's earrings should be small, studded pearls. Earrings will not be allowed for men. NO athletic wear shoes will be allowed.

### REHEARSAL

Graduation rehearsal will be on Friday, May 3rd, at 1:30 p.m. at the R. W. Harrison Sports Complex.. All graduates should attend. We will conduct a brief run-through of the program, show you how to play your part during the ceremony, and answer your questions.

### TIME AND PLACE

Gates to the R. W. Harrison Sports Complex will open at 6 a.m. MVSU ushers, marshals and police/security will be available to answer questions and direct guests and graduates. Graduates should report to the Lackey Recreation Center at either 6:30 a.m. or 10a.m. based on the ceremony of participation to receive last-minute instructions and line-up cards from their Department Chairs. Guests should enter the R. W. Harrison Sports Complex using the front entrance. Commencement ceremonies will begin promptly at 8 a.m. with the processional beginning 25 minutes prior.

8am - Golden Graduates, all Masters Students regardless of major, and undergraduates in the Departments of English and Foreign Languages, Fine Arts, General Studies, Mathematics, Computer and Information Sciences, and Natural Sciences and Environmental Health and Social Sciences should report to the Lackey Recreation Center at 6:30 a.m. for lineup.

Parking for persons with disabilities will be located in the parking area adjacent to Rice-Totten Stadium. A disability tag or decal will be necessary. An identified area for the loading and unloading of persons with disabilities will be in the front of the Rice-Totten Stadium.

### CEREMONY CONDUCT

Graduates, please set an example for your guests. To show respect for and to honor all our graduates, we ask participants to remain in their seats throughout the entire ceremony. Graduates will exit as a class to recessional music.

Guests will not be allowed onto the field at anytime before and during the ceremony. Ushers and security guards will be stationed in various areas and will ask guests to remain off the field during the ceremony. A professional photographer will take your photograph as you receive your diploma. Your family and friends may take photographs of you from their the stands; they will not be allowed onto the field to take photos.

When the commencement ceremony begins, your tassel is on the right side of the mortarboard. When your degree has been officially conferred during the ceremony, you move your tassel to the left side of the mortarboard. The movement of the tassel represents the symbolic power of the academic mace. The academic mace, originally a weapon of war, traced back to ancient Greece government, is used to symbolize the power the university has to confer degrees.

Upon receipt of your degree, pause briefly and look at the photographer in front of you for the official commencement photograph.
