**"I GIVE
TO MVSU
EVERY
DAY"**

GIVE TO MVSU EVERYDAY

WHAT IS A 365 GIVER?

"365 Givers" are individual alumni or friends of the university who agree to give a minimum of \$1 per day to the "Valley" or the equivalent of \$365.00 per year. Spouses can become "365 Givers" for half the cost or \$182.50 (\$547.50 for both). Payment options may vary from a one-time \$365.00 or \$547.50 payment or multiple payments of any combination up to 12 monthly payments of \$30.42 or \$45.63. Payments can be made online at www.mvsu.edu/contributors (click on the "Donate Now" button, then go to the "other" section at the bottom of the page). You will still have the option of paying the full amount or scheduling payments. Make sure to indicate the designation of your donation as "365 Givers" on the "make your payment" page.

PURPOSE

The Office of Alumni Affairs seeks to raise additional funds to truly fulfill its vision of serving as the liaison that connects the university with existing and future alumni. As result we will build relationships that will touch lives for years to come. The financial contribution made by "365 Givers" will benefit the university and alumni through many different efforts such as those listed below.

- Increase activities and events to improve young alumni involvement in building a prosperous future for our university
- To provide support to Pre-Alumni Club efforts to create a culture of volunteerism and giving within the student body
- Increase alumni recognition programs
- Expand efforts to increase alumni engagement in additional cities and states with larger "Valley" graduate populations
- Promote "Valley" pride among alumni and students
- Provide financial assistance to the Office of Alumni Affairs' urgent effort to connect with unattached "Valley" graduates throughout the country

MEMBER BENEFITS

Alumni and friends who complete the payment of the \$365 or \$547.50 annual amount will become official members of the "365 Givers." The members will then receive a "365 Givers" lapel pin and be eligible to receive special recognition and participation in events designed exclusively for "365 Givers."

- Group recognition via PSAs at sporting events
- Membership cards
- Tailgate cookouts and "Meet and Greet" receptions at designated sporting events
- Recognition in the MVSU Annual Donors Report, The Valley Connection Alumni magazine, and on WVSD 91.7 FM campus radio
- "365 Givers" will receive lapel pins when the required amount is completely paid.
