

EVENTS AND EXTRACURRICULAR ACTIVITIES

CDC Recommendations and Guidelines for Events and Extracurricular Activities

- Everyone is required to wear a mask at indoor events on campus.
- Individuals who are unvaccinated should wear a mask and maintain social distance when indoors or outdoors.
- Physical distancing highly recommended for indoor events and extracurricular activities (Capacity of space should allow for 6 feet distancing or 3 feet distancing for classroom-style seated events)
- Food services recommended to be grab and go or served (not buffet style)
- List of attendees recommended to assist with potential contact tracing
- Transportation: Masks required per CDC Guidance vaccinated and unvaccinated individuals)

See the following:

[Recommendations and Guidelines for Events and Extracurricular Activities](#)

Vaccination against COVID-19 is the best mitigation strategy and highly encouraged for all members of the university community.
