FACTBOOK

2023-2024

FOREWORD

The Mississippi Valley State University *FactBook* is an annual publication of the Office of Institutional Research and Effectiveness. Its primary purpose is to serve as a reference for those seeking statistical information about the University.

This particular edition of the *FactBook* contains data for the academic years 2023-2024. It includes a wealth of information about Mississippi Valley State University such as historical facts, various enrollment breakdowns, faculty and staff demographics, student characteristics, and campus resources. This edition continues to reflect the changing landscape of the university, especially the enrollment perspective and key organizational changes.

For the most part, *FactBook* data is derived from IHL Management Information Systems (MIS) reports. These reports represent the work of many campus units. Therefore, we would like to take this opportunity to extend our gratitude to Academic Affairs, Admissions and Recruitment, Student Records, Business & Finance, Human Resources, and especially Information Technology for their contributions.

Although the 2023-2024 *FactBook* contains many new facts, we realize there are numerous opportunities for presenting data. Therefore, the Office of Institutional Research is working diligently to supply new and relevant data in future editions. In the meantime, we hope this edition will prove to be informative and useful. As always, we welcome your suggestions, comments, or recommendations for the improvement of the *FactBook*.

THE INSTITUTION

OFFICE OF INSTITUTIONAL RESEARCH
AND EFFECTIVENESS

The MVSU Office of Institutional Research and Effectiveness (IRE) is an administrative support unit reporting directly to the Provost and Senior Vice President for Academic Affairs. The staff consists of an Assistant Vice President, an Associate Director, Data and Compliance Analyst and an Administrative Assistant. Our staff remains active through our membership in the Mississippi Association for Institutional Research and our membership in pertinent institutional committees.

The IRE office has a variety of responsibilities. Our primary task is to coordinate the submission of recurring IHL-MIS reports and federal IPEDS reports on behalf of the university. We also prepare a number of ad hoc reports for administrators and staff in order to inform and guide their management decisions. In addition, IRE provides information to a number of external entities.

Another very important role of IRE deals with SACSCOC accreditation and institutional effectiveness. In an effort to gauge compliance with SACSCOC standards for quality and effectiveness, IRE periodically audits compliance with SACSCOC standards and coordinates annual assessment processes. These efforts ensure the on-going quality of the University's programs and services.
