▪ HEALTH INSURANCE

State and Public School's Health Insurance Plan

BlueCross BlueShield
of Mississippi

The state and public school's health insurance plan is provided through Blue Cross Blue Shield of Mississippi. The Plan provides two types of coverage from which active employees, COBRA participants, non-Medicare eligible retirees, and non-Medicare eligible surviving spouses can choose: Base Coverage and Select Coverage. Each coverage option will provide the same health coverage, but have some differences. To list some of the differences include: monthly premiums, calendar year deductibles, maximum out-of-pocket expenses, and pharmacy deductibles. Additional details concerning the health insurance plan can be found in Plan Document located on the State Health & Life Plans website @ <http://knowyourbenefits.dfa.state.ms.us>.

The University pays the entire premium for Legacy/Horizon employees' coverage when enrolled in "Base coverage." All employees enrolled in Select Coverage pay a portion of their active employee premium.

- Horizon Employees pay \$40 per month for employee only coverage.
- Legacy Employees pay \$20 per month for employee only coverage.

If any participant elect to have dependent coverage, he/she is totally responsible for payment of premiums. **See rates listed below.**

- **Legacy Employees** refers to all current employees hired prior to January 1, 2006 or newly hired after January 1, 2006 who have been employed full-time by any State or Mississippi agency covered by the Plan (for example: public library, public school district, community/junior colleges, or other State agency or university).
- **Horizon Employees** refers to any employees initially hired at any State agency on or after January 1, 2006
- **Coverage Effective Date** is effective the first date of employment if coverage is elected within the first 31 days of hire. Anyone who fails to elect coverage within specified time frame will have to apply during the next Open Enrollment period. See Plan Document for any exceptions to this rule for allowing special enrollment period.

Motivating Mississippi - Keys to Living Healthy

Motivating Mississippi is the Plan's wellness and health promotion program. Through this program, participants can volunteer to complete a HealthQuotientSM (HQ) health risk assessment and receive a personalized wellness plan, access to lifestyle management programs, and access to personal wellness coaches. These services are provided at no additional charge to the participant. All adult participants age 18 and older are eligible for wellness benefits. These services are not subject to the calendar year deductible. The HQ can be found at www.webmdhealth.com/mississippi or may be accessed through a link on the Plan's website at <http://knowyourbenefits.dfa.state.ms.us>. An inclusive list of covered services is available by visiting the state health plan's website above.

Prescription Drug Program

The plan includes a co-payment program for prescription drugs. Prime Therapeutics, LLC is the pharmacy benefit manager. An enrollee must elect health insurance coverage in order to participate in the prescription drug program. **Each Select coverage participant must satisfy a \$75 calendar year deductible prior to receiving the co-pay rates. Base coverage participants must satisfy the individual or family annual deductible for all expenses (medical and pharmacy) prior to receiving the co-pay rates.**

To be covered under the Plan, prescription drugs must be prescribed by a physician, dispensed by a licensed pharmacist, and found to be medically necessary for the treatment of the participant's illness or injury. Participants may purchase medically necessary prescription drugs at participating retail pharmacies, through the Prime Therapeutics, LLC mail order service, or through the dedicated specialty pharmacy program. Coverage for prescription drugs purchased at a retail pharmacy or through the mail order service is limited to a 90-day supply. Coverage for prescription drugs purchased through the specialty pharmacy program is limited to a 30-day supply. When a prescription drug is purchased at a participating retail pharmacy, the participant is only required to pay the appropriate co-payment amount (after the applicable deductible is met) or the cost of the drug, whichever is less. There is no claim form to file. When a prescription drug is purchased at a non-participating pharmacy, the participant must file a claim with Prime Therapeutics, LLC. Payment of the claim will be made based upon the Plan's allowable charge. The participant is responsible for any amount in excess of the allowable charge, plus the applicable deductible and/or co-payment.

▪ RETIREMENT PLAN

Public Employees Retirement System of Mississippi (PERS) is the retirement plan offered by Mississippi Valley State University. PERS is a governmental defined benefit plan qualified under Section 401(a) of the Internal Revenue Code. A defined benefit plan determines a member's retirement benefit using a formula based on the member's average compensation, years of creditable service, and the benefit payment option selected at retirement. As a participant, employees contribute 9.00% of gross income (income before taxes are deducted) and MVSU contributes 15.75% of the employees' gross income into the retirement plan. Effective July 1, 2019, employer contribution will increase from 15.75% to 17.40%. Employee contributions are not taxable for income tax purposes until they are either withdrawn as a refund or monthly benefits. There is a penalty for early withdrawal from the retirement plan. However, employees are not fully vested at 100% until after four or eight years of continuous service depending on hired date. Vesting means the extent to which an employee and your beneficiaries are entitled to contributions in their retirement plan. In addition, PERS offer disability and survivor protection. The retirement plan is available online: www.pers.state.ms.us

Membership: Mandatory

- To become a member, one must be employed as a regular employee whose employment is anticipated to exceed **four and one-half** consecutive months.

Refund will be issued but no later than 90 calendar days from date of termination.**
- **Rollover (One can move money directly to another qualified retirement account)**
- **Leave Contributions with PERS (One can retain their rights to a lifetime retirement benefit when one meets eligibility requirements and retain rights to survivor benefits, if eligible). If one goes to work for another state agency-funds must be left in PERS until retirement.**

▪ OPTIONAL RETIREMENT PLAN

Prior to July 1, 1990, all eligible employees of the Institutions of Higher Learning were covered under PERS; however, in the 1990 Legislative session, the Institutions of Higher Learning (IHL) were instrumental in getting House Bill 1070 passed which made an optional retirement plan available to the IHL teaching and administrative faculty. The Optional Retirement Plan (ORP) is a governmental defined contribution plan qualified under Section 401(a) of the Internal Revenue Code. This alternative plan is structured so as to be portable and transferable as teaching and administrative staff move from one state to another.

In order to participate in the Optional Retirement Plan, an employee must first be eligible to participate in PERS. Therefore, the individual must first be in a covered position. If initially employed in a qualifying position after July 1, 1990, an eligible employee has the option to elect to participate in the Optional Retirement Plan. This option is only available during the first 30 days of employment. If no election is made during that period of time, the employee automatically becomes a member of PERS. The decision is then irrevocable. Information on the three ORP retirement plans is included in the new employee orientation packet. It is also available in the Human Resource department. **Remember that you must act within 30 days of employment. If you take no action, you will automatically become a member of PERS.**

If one choose to enroll in the Optional Retirement Plan, your member account will consist of your contributions of 9.00% and employer contributions of 17.40% (14.751% to individuals fund and 2.649% goes to PERS to fund the unfunded accrued liability and is never a benefit to the employee. Your account will be 100% vested on day one.

FLEXIBLE BENEFITS/CAFETERIA PLAN

The university has a flexible/cafeteria plan which was established under provisions of Section 125 of the Internal Revenue Code. The Cafeteria Plan allows employees to pay certain insurance premiums, major un-reimbursed medical expenses before tax rather than after tax dollars. Employees may choose to participate in the plan at the time of employment or at the annual enrollment that is held in October each year.

Employees who choose to participate in the Flexible Benefits/Cafeteria Plan must agree to remain in the plan for the plan year (January 1 through December 31). Employees of the University are eligible to participate in a Tax-Sheltered annuity plan provided by Section 403 (b) of the Internal Revenue Code of 1954, as amended. The amount of annuities that an employee may authorize the university to purchase for him/her in lieu of a portion of which salary otherwise payable directly to him/her is determined by a formula prescribe by the Internal Revenue Code and Regulations.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 5-31-2020)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact _____.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name		4. Employer Identification Number (EIN)	
5. Employer address		6. Employer phone number	
7. City	8. State	9. ZIP code	
10. Who can we contact about employee health coverage at this job?			
11. Phone number (if different from above)		12. Email address	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

All employees. Eligible employees are:

Some employees. Eligible employees are:

- With respect to dependents:

We do offer coverage. Eligible dependents are:

We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers, but will help ensure employees understand their coverage choices.

Active Employee Life Insurance Beneficiary Designation

Designating a life insurance beneficiary is an important step that will allow you to determine who will receive your policy benefits. As you experience changes in your life, you should review your beneficiary designations to ensure that they still reflect how you want your benefits to be paid. With the implementation of the new online beneficiary management tool, you will now be able to make and/or change designations confidentially and conveniently, 24/7, simply by following the instructions below:

1. Log into the *myBlue* site, <https://myblue.bcbsms.com> (if you have not registered previously, please have your medical ID card handy)
2. Click on the **My Benefits** tab
3. Click on the link in the **Life Benefits** section and you will be directed to Minnesota Life's online beneficiary management tool
4. Enter the name and address, and the respective benefit percentages for each beneficiary you wish to name

After this information has been entered, you will receive an email acknowledgement, as well as a paper confirmation statement in the mail for your records, reflecting your beneficiary designation, and any applicable benefit percentages. Make sure that the information on your email acknowledgment/confirmation is exactly how you want your benefits to be paid. If any of the information is incorrect, log back into *myBlue* and repeat the steps above.

We are very excited about this new online option and encourage you to visit the *myBlue* site today to start the process for designating your life insurance beneficiary. Please note that if you do not execute the new beneficiary designation, any resulting life insurance proceeds will be paid according to the defaults described in the policy, which may not necessarily be according to your wishes.

Should you have any questions about your beneficiary designation, please call Minnesota Life at 1-877-348-9217.

We're pleased to be your partner in maintaining great oral health. The Delta Dental PPO* plan makes it easy for you to find a dentist, and easy to control your costs when you visit a network dentist. Here are some of the great things you'll need to know about enrolling with Delta Dental:

- **Save money with a Delta Dental PPO dentist.** Our PPO network dentists accept reduced fees for covered services they provide you, so you'll usually pay the least when you visit a PPO network dentist. This also ensures Delta Dental dentists won't balance bill you the difference between the contracted amount and their usual fee.
 - **Visit the dentist of your choice.** Want to visit a non-Delta Dental dentist? No problem. You can visit any licensed dentist, but your costs are usually lowest when you see a PPO dentist.
 - **Many network dentists to choose from.** Since Delta Dental offers access to some of the largest dentist networks in the U.S., chances are there's a wide choice of network dentists near your home or office. Four out of five dentists nationwide
- are contracted Delta Dental dentists, giving more enrollees convenient access to more dentists. Visit us at deltadentalins.com to search our dentist directory by location or specialty.
- **Easy to use your benefits.** When you visit a Delta Dental dentist, pay only your portion for services. Delta Dental dentists will file claim forms for you and receive payment directly from us. Many non-Delta Dental dentists ask that you pay the entire cost up front and wait for reimbursement.
 - **Delta Dental's Online Services make getting information quick and easy.** Access your benefits and eligibility, print ID cards and get information about your claims. And check out Delta Dental's oral health resources for tips and information that can help keep your smile healthy.

Mississippi Valley State University 403(b) Plan 2020 Universal Availability Notice

To: All Employees of Mississippi Valley State University

In compliance with the requirements of IRC §403(b)(12)(A)(ii) this Notice will advise you of the voluntary 403(b) program established and maintained for the benefit of our employees. The following information provides details of the Plan and outlines the procedures for enrollment.

Eligibility

All employees who are employed by Mississippi Valley State University are eligible to participate in the 403(b) plan upon date of hire.

Contributions

When you enroll in the program, the amounts you designate as salary deferrals are withheld from your wages and forwarded to an investment provider of your choice. Contributions may be changed, started or stopped at any time. Several types of contributions are available in your Plan:

Pre-Tax Salary Deferrals. These are amounts contributed into a 403(b) plan that are deferred from your paycheck before federal income taxes are applied. State income taxes may or may not be applicable.

Roth Salary Deferrals. These amounts are also deferred from your paycheck, but are subject to federal and state income taxes. When you withdraw monies, however, the funds may be excluded from taxation. Special rules apply to Roth contributions and you should contact your tax advisor before electing this option.

- For **2020**, you may defer from your wages, a maximum of \$19,500 to all 403(b) and 401(k) plans unless you will reach 50 years of age during the year. In that case, you would be eligible to contribute an additional \$6,500. Deferrals may not exceed 100% of your wages.

Rollovers. You may also rollover funds from another employer's plan if you receive an eligible rollover distribution. Before you can complete a rollover into this Plan, you must first receive an acceptance authorization before the monies to be applied to your account.

Plan Investment Options

Your contributions to the 403(b) Plan must be made to an investment provider approved by your Employer. **(Before enrolling in the Plan, you should first establish an account with one of the Providers listed in this Notice.)** Once you have executed an investment contract, you should establish an account through the Plan's web site and create a secure login and password.

Assistance

You may enroll in the Plan or receive assistance with these provisions by first contacting one of the Investment Companies listed in this Notice, contacting the Plan's Third Party Administrator, your Employer's Benefit Administrator. Additional information about the provisions and options in your Plan are available by contacting PenServ Plan Services, Inc. at (800) 849-4001 or from the Plan's web site.

1. Is legally binding and irrevocable with respect to amounts paid or available while it is in effect; however, is effective only for amounts not yet earned or made available.
2. May be terminated at any time for amounts not yet paid or available, and that a termination request is permanent and remains in effect until a new salary reduction agreement is submitted;

Employee must cooperate directly with Service Provider, Employer, or their Designee, as directed by Employer to transfer contract(s) or custodial account(s) to another Service Provider, begin distributions, make loans, exchanges or otherwise access 403(b) plan assets.
- Employees are responsible for determining that salary reductions do not exceed the allowable contribution limits under Applicable Law.

Appropriate Use Policy Version 1.0

This policy governs the use of computers, computer-based networks, and all related equipment administered by Mississippi Valley State University. Under the federal statutes and the sections of the Mississippi code that regulate the use of these resources, MVSU is required to ensure that this equipment is used properly and for the purpose for which state funds were expended. The intent of this policy is to allow maximum freedom of use consistent with state and federal law, IHL/University policy and a productive work environment.

General Principle
 Appropriate use reflects academic honesty and ethical behavior, and demonstrates consideration in the consumption of shared resources. It shows respect for intellectual property, ownership of data, system security mechanisms, and the rights of others to privacy and to freedom from intimidation, harassment, and unwarranted annoyance.

Authorized Use
 Individuals may use MVSU computing facilities only with the express authority of MVSU. Using an account that belongs to another individual or giving an individual other than the owner access to an MVSU account is prohibited. MVSU management authorizes system accounts and the use of lab facilities. In certain cases, such as with remote visualization facilities, MVSU management may designate an appropriate agent to authorize accounts. Authorized users of MVSU computing facilities include:

1. The faculty, staff, and students of the state supported universities governed by the Mississippi Board of Trustees of Institutions of Higher Learning (IHL).
2. Pre-approved individuals associated with other state supported educational institutions (e.g. high school teachers and students working on special projects).
3. Other outside, pre-approved clients.

Appropriate use of MVSU computing facilities includes:

1. The support of instructional activities (e.g., to complete class projects or conduct activities relevant to class work).
2. The support of institutionally sponsored research by authorized users.
3. The facilitation of official work of state and university offices, departments, agencies, and sanctioned campus organizations.
4. MVSU computing facilities are not to be used for commercial purposes of financial gain except in pre-approved circumstances. MVSU computing facilities are not to be used for partisan political purposes.
5. MVSU computing facilities serve diverse purposes and diverse constituencies, and rules for use may vary somewhat across systems and labs. Activities having valid educational benefits, but which are however, they may be limited or banned on certain systems at the discretion of MVSU management, according to system load and system function. For example, due to the limited number of stations, game playing and computer chatting in MVSU labs is strictly prohibited, unless the activity is required as part of a university course. System and lab dependent policies are communicated to users through on-line messages, news items, and lab postings. Compliance with the MVSU Appropriate Use Policy requires compliance with all system and lab dependent policies.

- C. **Confidentially.** The University will endeavor to maintain confidentiality to the extent permitted by law. Where the complainant's desire to maintain anonymity constrains attempts at establishing facts and eliminating the potential harassment, the University will attempt to find the right balance between the complainant's desire for privacy and confidentiality, and the responsibility of the University to provide an environment free of sexual harassment. However, not all circumstances will allow the complete confidentiality and, the University may take more formal action in cases of egregious sexual harassment.

DRUG-FREE WORKPLACE ACKNOWLEDGMENT
MISSISSIPPI VALLEY STATE UNIVERSITY

Drug abuse and use in the workplace are subjects of immediate concern in our society. These problems are extremely complex and there are no easy solutions. From a safety perspective, the users of drugs may impair the well-being of all employees, the public at large, and result in damage to University property. Public Law 100-690, the Anti-Drug Abuse Act, was enacted by the federal government in 1988. Title V, Subtitle D, the Drug-Free Workplace Act of 1988, is part of the overall act, which requires State agencies who receive federal grants to certify that they will maintain a drug-free workplace and publish and administer specific drug-free workplace policies and drug awareness programs. Therefore, it is the position of the Mississippi Valley State University that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance in the workplace is prohibited. Any employee violating these prohibitions will be subject to discipline up to and including termination.

1. Mississippi Valley State University does not differentiate between drug users and drug pushers or sellers. Any employee who unlawfully gives or in any way transfers a controlled substance to another person or sells or manufactures or unlawfully uses a controlled substance while on the job, in the workplace, or at a site which the university's work is performed will be subject to discipline up to and including termination.
2. The term "controlled substance" means any drug listed in 21 U.S.C. 812 and other federal regulations. Generally, these are drugs which have a high potential for abuse. Such drugs include, but are not limited to, heroin, marijuana, cocaine, PP, and 'crack'. They also include 'legal drugs' which are not prescribed by a licensed physician.
3. Each employee is required to inform the university appointing authority within five (5) days after he or she is convicted for violation of any federal or state criminal drug statute where such violation occurred in the workplace. A conviction means a finding of guilt, including a plea of guilty or of nolo contendere, or the imposition of a sentence by a judge or jury in any federal or state court.
4. The agency appointing authority must notify the U.S. government agency with which the grant was made within ten (10) days after receiving notice from the employee or otherwise receives actual notice of such a conviction.
5. If an employee is convicted of violating any criminal drug statute while in the workplace, he or she will be subject to discipline up to and including termination. Alternatively, the employee may be required to successfully complete an inpatient or outpatient drug abuse program sponsored by an approved private or governmental institution.
6. As a condition of further employment on any federal government grant, all employees are required to abide by these requirements.

I, _____, an employee of Mississippi Valley State University, hereby certify that I understand the University's requirements regarding the maintenance of a drug-free workplace. I realize that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited at my workplace. I understand that violating those prohibitions can subject me to discipline up to and including termination. I realize that as a condition of employment, I must abide by the requirements of the University in this regard and I will notify my supervisor of any criminal drug conviction for a violation occurring in the workplace no later than five (5) days after such conviction. I further realize that federal law may mandate that Mississippi Valley State University communicate this conviction to an appropriate federal agency, and I hereby waive any and all claims that may arise for conveying this information to the federal agency.

For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

You can also use the calculator at www.irs.gov/W4App to determine your tax withholding more accurately. Consider

using this calculator if you have a more complicated tax situation, such as if you have a working spouse, more than one job, or a large amount of nonwage income not subject to withholding outside of your job. After your Form W-4 takes effect, you can also use this calculator to see how the amount of tax you're having withheld compares to your projected total tax for 2019. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Note that if you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Filers with multiple jobs or working spouses. If you have more than one job at a time, or if you're married filing jointly and your spouse is also working, read all of the instructions including the instructions for the Two-Earners/Multiple Jobs Worksheet before beginning.

Nonwage income. If you have a large amount of nonwage income not subject to withholding, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you might owe additional tax. Or, you can use the Deductions, Adjustments, and Additional Income Worksheet on page 3 or the calculator at www.irs.gov/W4App to make sure you have enough tax withheld from your paycheck. If you have pension or annuity income, see Pub. 505 or use the calculator at www.irs.gov/W4App to find out if you should adjust your withholding on Form W-4 or W-4P.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Personal Allowances Worksheet

Complete this worksheet on page 3 first to determine the number of withholding allowances to claim.

Line C. Head of household please note: Generally, you may claim head of household filing status on your tax return only if you're unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. See Pub. 501 for more information about filing status.

Line E. Child tax credit. When you file your tax return, you may be eligible to claim a child tax credit for each of your eligible children. To qualify, the child must be under age 17 as of December 31, must be your dependent who lives with you for more than half the year, and must have a valid social security number. To learn more about this credit, see Pub. 972, Child Tax Credit. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line E of the worksheet. On the worksheet you will be asked about your total income. For this purpose, total income includes all of your wages and other income, including income earned by a spouse if you are filing a joint return.

Line F. Credit for other dependents. When you file your tax return, you may be eligible to claim a credit for other dependents for whom a child tax credit can't be claimed, such as a qualifying child who doesn't meet the age or social security number requirement for the child tax credit, or a qualifying relative. To learn more about this credit, see Pub. 972. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line F of the worksheet. On the worksheet, you will be asked about your total income. For this purpose, total

income includes all of your wages and other income, including income earned by a spouse if you are filing a joint return.

Line G. Other credits. You may be able to reduce the tax withheld from your paycheck if you expect to claim other tax credits, such as tax credits for education (see Pub. 970). If you do so, your paycheck will be larger, but the amount of any refund that you receive when you file your tax return will be smaller. Follow the instructions for Worksheet 1-6 in Pub. 505 if you want to reduce your withholding to take these credits into account. Enter “-0-” on lines E and F if you use Worksheet 1-6.

Deductions, Adjustments, and Additional Income Worksheet

Complete this worksheet to determine if you're able to reduce the tax withheld from your paycheck to account for your itemized deductions and other adjustments to income, such as IRA contributions. If you do so, your refund at the end of the year will be smaller, but your paycheck will be larger. You're not required to complete this worksheet or reduce your withholding if you don't wish to do so.

You can also use this worksheet to figure out how much to increase the tax withheld from your paycheck if you have a large amount of nonwage income not subject to withholding, such as interest or dividends.

Another option is to take these items into account and make your withholding more accurate by using the calculator at www.irs.gov/W4App. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Two-Earners/Multiple Jobs Worksheet

Complete this worksheet if you have more than one job at a time or are married filing jointly and have a working spouse. If you

don't complete this worksheet, you might have too little tax withheld. If so, you will owe tax when you file your tax return and might be subject to a penalty.

Figure the total number of allowances you're entitled to claim and any additional amount of tax to withhold on all jobs using worksheets from only one Form W-4. Claim all allowances on the W-4 that you or your spouse file for the highest paying job in your family and claim zero allowances on Forms W-4 filed for all other jobs. For example, if you earn \$60,000 per year and your spouse earns \$20,000, you should complete the worksheets to determine what to enter on lines 5 and 6 of your Form W-4, and your spouse should enter zero (“-0-”) on lines 5 and 6 of his or her Form W-4. See Pub. 505 for details.

Another option is to use the calculator at www.irs.gov/W4App to make your withholding more accurate.

Tip: If you have a working spouse and your incomes are similar, you can check the “Married, but withhold at higher Single rate” box instead of using this worksheet. If you choose this option, then each spouse should fill out the Personal Allowances Worksheet and check the “Married, but withhold at higher Single rate” box on Form W-4, but only one spouse should claim any allowances for credits or fill out the Deductions, Adjustments, and Additional Income Worksheet.

Instructions for Employer

Employees, do not complete box 8, 9, or 10. Your employer will complete these boxes if necessary.

New hire reporting. Employers are required by law to report new employees to a designated State Directory of New Hires. Employers may use Form W-4, boxes 8, 9,

and 10 to comply with the new hire reporting requirement for a newly hired employee. A newly hired employee is an employee who hasn't previously been employed by the employer, or who was previously employed by the employer but has been separated from such prior employment for at least 60 consecutive days. Employers should contact the appropriate State Directory of New Hires to find out how to submit a copy of the completed Form W-4. For information and links to each designated State Directory of New Hires (including for U.S. territories), go to www.acf.hhs.gov/css/employers.

If an employer is sending a copy of Form W-4 to a designated State Directory of New Hires to comply with the new hire reporting requirement for a newly hired employee, complete boxes 8, 9, and 10 as follows.

Box 8. Enter the employer's name and address. If the employer is sending a copy of this form to a State Directory of New Hires, enter the address where child support agencies should send income withholding orders.

Box 9. If the employer is sending a copy of this form to a State Directory of New Hires, enter the employee's first date of employment, which is the date services for payment were first performed by the employee. If the employer rehired the employee after the employee had been separated from the employer's service for at least 60 days, enter the rehire date.

Box 10. Enter the employer's employer identification number (EIN).
