

# FREE TOOLS TO HELP YOU MASTER YOUR MONEY

## Learning how to take control of your finances is easier than you think ... and a lot more fun!

iGrad uses interactive tools to guide you through lessons on:

- money management
- paying for school
- saving for emergencies & goals

Smart money management doesn't have to be complicated. Whether you want to improve your personal finances or take charge of your school loans and debt, you'll use simple tools, calculators, and lesson plans to gain the knowledge needed to achieve your goals.

Investing a little of your time now with iGrad can pay off for the rest of your life. You'll develop the financial skills to help you succeed in the real world.

Best of all, **iGrad is totally free** to you, as a service of Mississippi Valley State University. Give it a try at <https://mvsu.igrad.com>.
